

MEMBER RECIPROCAL SELF-CERTIFICATION FORM

Instructions

Reciprocity is an agreement among public retirement systems to allow members to separate from one public employer and enter into employment with another public employer within a specific time limit without losing some valuable retirement and related benefit rights.

The Public Employees' Pension Reform Act of 2013 (PEPRA), effective January 1, 2013, requires a CalPERS covered employer to determine the applicable PEPRA retirement benefit formula for new employees. CalPERS refers to all members that do not fit within the PEPRA definition of a "new member"¹ as "classic members" who are subject to the Public Employees' Retirement Law (PERL). PEPRA allows a member after January 1, 2013, to retain his/her classic member retirement benefit status if the member continues his/her membership in all previous California Public Retirement System(s) by leaving his/her service credit and contributions (if any) on deposit, and the member enters into employment that results in CalPERS membership within six months of separating from the most recent California Public Retirement System. Classic member status also requires the membership date to be on or before December 31, 2012, in a California Public Retirement System in which reciprocity is established.
