

Court & Community Schools

Kickoff Stakeholder Engagement Meeting Local Control Accountability Plan (LCAP)

The LCAP is written to address the needs of our students in the Court & Community Schools. We value the involvement of all stakeholders, including teachers, students, school staff, parents, Probation, bargaining unit representatives, community partners and others. There will be multiple opportunities to become involved: four meetings at the CCCOE; designated time on the agendas of periodic staff meetings and at all school site council meetings; and surveys. We will provide a status report regarding the implementation of the 2017-18 LCAP when assessment data becomes available, as well as share information and invite feedback, suggestions and comments to inform the development of the 2018-19 LCAP.

We value your input and invite you to participate in this important process.
