Presentation

April 21, 2017

Component I: Workshops

- » Purpose: Establish common baseline for using Dashboard and LCAP as tools for continuous improvement
- » Spring (2017) Workshops
 - 11 workshops held from March 10-April 1, 2017
- » Fall (2016) Workshops
 - 9 workshops held from November 2-19, 2016

Component I: Workshops

» Spring Workshop Structure

- Opening speaker
- Overview of changes to Dashboard and LCAP since Fall workshops
- Suggested cycle on how to use both of those resources to support continuous improvement

Component I: Workshops

» Spring Workshop Structure

- 4-6 breakout sessions to support differentiation:
 - Dashboard 101
 - Local Indicators
 - Student Groups
 - Increasing and Improving Services for Unduplicated Students (School-/LEA-Wide Actions)
 - Communication
 - Part of the 86%

Key Takeaways

- » CCEE explored the shared the following ideas with workshop participants:
- **Considerations** are not requirements
 - Multiple stakeholders play a **designer** role
 - **Annual process** should be customized
 - Continue to develop **knowledge and skill**

Annual Process Phases

Consideration:

The seasons provide a broad frame – don't get too caught up with exact months of the year

Support and Assistance

- » **Level 1:** Support for all LEAs (CDE, CCEE, COE, other support providers)
- » **Level 2:** Differentiated Assistance (CDE, CCEE, and COE)
- » **Level 3:** Intensive Intervention (CDE makes determination)
