

LAFAYETTE LIBRARY HOUR OF CODE!

December 5th - 8th
3-4PM & 4-5PM – Tech Lab

HOUR
OF
CODE

Learn Computer Science!

For students Elementary through Middle School!

PARTICIPATE IN AN HOUR OF CODE!

Do you want to learn computer programming?

Join us for one-hour sessions of programming activity throughout the week of December 5th, 6th, 7th, & 8th (Computer Science Education Week)

Code.org's own tutorials feature Minecraft, Star Wars, Disney's Frozen, and more. You can code by yourself or collaborate with a friend or two. Bring your own laptop or tablet if you have one!

2 Sessions available each day

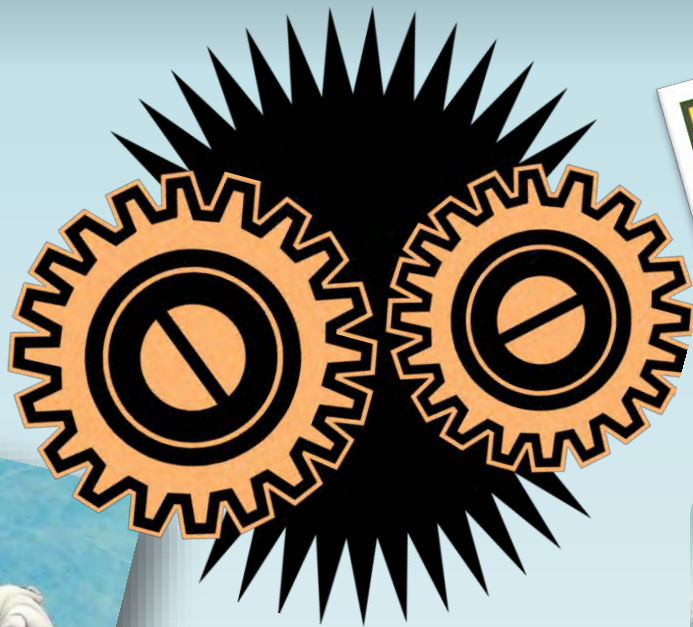

REGISTER Online at: tinyurl.com/hoc2017laf

***Please register for only 1hr. per day**
