

Dear Contra Costa TK Teachers:

You are invited to a Seminar on the Desired Results Developmental Profile (DRDP)-K presented by WestEd. The DRDP-K (2015) is an assessment instrument designed for teachers to observe, document, and reflect on the learning, development, and progress of all children during the kindergarten year. At this Seminar participants will learn about:

- * Format of DRDP-K (2015)
- * Use of documentation and evidence to rate measures
- * Importance of inter-rater reliability

Many districts across the state have begun adopting DRDP-K as an assessment tool to track developmental milestones of TK students. We hope you take advantage of this opportunity to learn more about DRDP-K!
