222 Glacier Dr.
Martinez, CA 94553

A + Educational Centers

We provide individualized instruction in ALL SUBJECTS for students in grades K-12 as well as preparation for the STAR, High school Exit Exam and the SAT. Over the last 25+ years we have helped thousands of children excel beyond their expectations. We are available 7 days a week to our families! We communicate with school teachers and give daily progress reports to parents. We teach reading comprehension, spelling, vocabulary, writing, grammar, sciences and math through AP Calculus. We welcome ESL students; our teachers speak Spanish, Russian, Armenian, Farsi and other languages. Our staff of special educators work with children with learning disabilities (504 or IEP plans) as well as gifted students. As part of our program, we teach study-skills, note and test-taking strategies, and organizational skills needed to improve grades. We incorporate our popular "A+ REWARDS" program to encourage all students to succeed!
