### School Description

Mission: To educate students with special needs in the least restrictive learning environment to enable them to pursue productive and independent lives.

Severely Handicapped Program: The East County Student Programs (ECSP) provides a full range of services designed to meet the needs of severely handicapped students from pre-Kindergarten to age 22. Programs emphasize the integration of students with age-appropriate peers, placement in the least restrictive environment, a comprehensive curriculum for severely handicapped, and programs to support transition. Leadership and support exists to ensure the quality of all students' instructional programs as well as having facilities that are appropriate and maintained in a safe condition. This special education curriculum for severely handicapped students is based on the core areas identified in the Common Core State Standards.

As part of ECSP, the Intensive program serves students in grades K-5 in several special day classes throughout the county. The program assists students with autism, autistic-like behaviors and intensive behaviors to manage academic, social and functional demands through a variety of approaches within a gated, structured environment. As appropriate, staff provides opportunities for integration with age-appropriate peers, community outings to practice social skills and modifications for academic programming.

The Early Start program is part of the Contra Costa County Office of Education that serves infants and toddlers through a home-based and a classroom program. Children, age birth to three who have vision, hearing, orthopedic problems or other developmental disabilities are the targeted population. The team, consisting of a teacher, instructional assistant, speech or occupational therapist, and specialists in vision and hearing assist the family by providing assessments and developing an Individual Family Service Plan.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

At the Contra Costa County Office of Education, special education programs do not use textbooks. Each student has an Individual Education Plan, which drives instructional programs.

Textbooks and Instructional Materials Year and month in which data were collected:	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Science Laboratory Equipment	N/A The textbooks listed are from most recent adoption: N/A

Note: Cells with N/A values do not require data.

### School Facility Conditions and Planned Improvements (Most Recent Year)

The school was built in 1972 and remodeled in 2011. There are five classrooms at the Turner site with portables, auditorium, kitchen, and playground. There are 3 additional classrooms located off-site in Antioch and Pittsburg.

Turner Garden began in September 2009 with five beds and picnic tables, and is funded by a grant and other donations.

All students are under direct staff supervision while in transit to and from school with assistance from transportation personnel. While on school sites, students are under direct supervision from both classified and certificated personnel. Students may be early released only to authorized adults who are required to identify themselves and sign out the student in the main office.

Access to school sites is restricted, requiring all visitors to check in at the main office for clearance and registration. All facilities and grounds are observed and monitored for unauthorized visitors who are reported to the main office for appropriate action. When visitors are approved to be on campus they are given a temporary badge identifying them as a guest. Volunteers are required to be interviewed and approved by site administration and to register with the central office Human Resources Department and receive TB clearance. All regular personnel are provided with picture I.D. badges for their use.

All sites are regularly cleaned and maintained by custodial and gardening staff.

Facilities maintenance is ongoing and coordinated with site principals through the central office facilities department. More intensive cleaning and maintenance occurs during student break/vacation periods in order to minimize impact to learning environment. All sites are in good repair and free of adverse conditions detrimental to student learning. Emergency repairs are typically handled in a timely manner.

Adequate and appropriate classroom and playground space is available. Playground areas have been upgraded to current safety codes. Specialized equipment is accessible for use by students with special needs. Workspace and break/lounge areas for staff have been designated.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA		0	46	49	48	48
Math		0	32	30	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students

	14-15	15-16	14-15	15-16	14-15	15-16
Science	--	--	14	57	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA) Disaggregated by Student Groups, Grades Three through Eight and Eleven				
Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	33	32	96.97	0
Male	22	22	100	0

English Learners	12	12	100	0
Students with Disabilities	33	32	96.97	0
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2017-18)

East County Student Programs offers multiple parent training sessions each year. These sessions feature staff members as presenters, as well as experts from the community, offering information on various topics. Childcare and translation is provided for these sessions. Through informational flyers, parents are made aware of fundraisers and numerous support groups. Parents are encouraged to participate in classroom field trips.

Parent Resource Night is an event that provides parents with connections to community resources that may interest their child. It is held annually and includes various vendors from the Regional Center, local sports teams, law enforcement and extra curricular activities.

Parents are involved in the education of their students through the Individual Education Program (IEP) process. As an IEP team member, each parent participates in the development of annual academic, behavioral, and social goals for his/her child.

In order to obtain valuable feedback and suggestions for improvement, parents of infants and toddlers in our Early Start program are surveyed annually. Information from the surveys is analyzed and used when developing future goals. The overall results of recent parent surveys show a ninety percent satisfaction rate with our Early Start program.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

The following is a brief description of the key elements included in each plan:

- A staff emergency “phone tree”, protocol for emergency contacts.
- Community emergency telephone numbers, specific to each region.
- Emergency teams and duties.
- Staff development and minimum day schedules.
- Safety Committee and Leadership Team composition and members.
- Assessment of the status of school crime committed on campus.
- Discrimination and harassment policies and procedure for staff and students.
- Hate crime reporting procedures.
- Procedures for safe ingress and egress of pupils, parents and school employees to and from school.
- Uniform complaint procedures for parents.
- Vandalism reporting forms and procedures.
- Child abuse laws and reporting forms and procedures.
- “Safe School” initiative information and mission statement.
- Crisis response checklist.
- Safety inspection classroom checklist.
- List of disaster/first aid supplies in classrooms.
- Policies pursuant to student suspension and expulsion.
- Rules and procedures on school discipline.
- Procedures for staff notification of “intruder on campus.”
- Dress code policies and enforcement.
- Disaster procedures and drills protocol.
- School site maps and plans.
- 

The School Safety Plan was last reviewed and updated during the 2017-18 school year.

### Professional Development provided for Teachers

Certificated staff receive three full days of staff development and classified receive one full day of staff development under the California Department of Education's Instructional Time and Staff Development Reform Program. Content includes instructional methods, classroom management, and training designed to improve academic instruction in the core curriculum.

In addition to the three staff development days each Wednesday is a minimum day for students. The afternoons are used for either staff training, meetings or teacher led work days. The content of our staff development efforts is aligned with Special Education Program goals and feedback from State mandated test data and staff needs assessments as related to student performance.

Topics for the current school year include:

- Evidence Based Practices
- Implementing Behavioral Goals
  - Sensory Integration
  - Best practices as viewed by families
  - Appropriate skill levels for transitioning
  - First Aid and CPR
  - Stress management
  - CPI (Crisis Prevention Institute) training
  - Technology, iPad Training
  - Writing legal and culturally sensitive IEP goals
  - SEIS Training
  - Forms, Processes, Procedures
  - CAA curriculum and training
  - Sexual harassment, confidentiality
  - Mandated Reporting
  - Back safety, hazardous materials, bloodborne pathogens
  - Emergency Preparedness

- Importance of Teaching Self-Help Skills
- Communication Training

During implementation of instruction, teachers are supported through in-class coaching, teacher collaboration, teacher-principal meetings and encouragement of thematic lesson plans.

The CCCOE offers support to teachers through a variety of programs, as determined by need. The CCCOE Teacher Induction Program(TIP) provides a collaborative model of support providing a pathway for teachers to clear their credential. Intern teachers participate in the Solano/North Bay/Contra Costa Teacher Intern Program, and are generally referred to TIP once they receive their preliminary credential. Another relatively new teacher support program was created for those teachers who may be new to their assignment. This program is called the New Assignment Mentor Support (NAMS) program and both veteran and new teachers may be eligible. Finally, struggling teachers may be referred to the Peer Assistance Review (PAR) program as a result of an unsatisfactory evaluation. Also, a website has been developed to help all teachers access quality instructional lessons and links to existing exemplary programs. Methods of professional development may include after school workshops individual conferences, peer coaching, classroom visitations, veteran teacher observation and attendance at professional development conferences and meetings.

### Types of Services Funded

Services provided to students are driven by each student's IEP. Services available include:

- Individualized Academic Instruction
- Occupational Therapy
- Speech Therapy
- Adapted Physical Education
- School Nursing Services
- Free and Reduced cost Breakfast and Lunch for students who qualify
- Early Start services for infants and toddlers
- Intensive behavioral services

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
