## TEACHING TOLERANCE'S K-12 LITERACY, ANTI-BIAS CURRICULUM: PERSPECTIVES FOR A DIVERSE AMERICA

*Perspectives* is a literacy-based, anti-bias, social justice curriculum that is aligned to the Common Core English Language Arts and Literacy standards—and to the groundbreaking Teaching Tolerance Anti-bias Framework (ABF). Its web-based modular design allows for maximum customization and differentiation. Come to a dynamic institute held in the experiential setting of the Museum of Tolerance to be led by experts from **Teaching Tolerance**.

### Participants will walk away from the Institute with the tools to:

- Explain how *Perspectives for a Diverse America* achieves the key instructional shifts called for by the Common Core State Standards for English Language Arts/Literacy.
- Integrate the Teaching Tolerance Anti-bias Framework into existing classroom and school climate materials.
- Identify texts within the *Perspectives* central text anthology for use in current lesson plans
- Build a complete Integrated Learning Plan using the texts, instructional strategies and assessment tasks within *Perspectives for a Diverse America*
