

Contra Costa County

Board of Education

Statement of Purpose

Approved – March 1, 2017

The Contra Costa County Board of Education wishes to affirm and adopt this **Statement of Purpose**, to declare its support and recognition of:

- The existing California law which requires total privacy of student records;
- Safe Schools for ALL;
- Diversity and Inclusion;
- The protection of the students and families we serve, and their civil liberties;
- Civility and respect, honoring our role as educators in providing students with a safe, supportive environment in which to learn and express themselves;
- Support for schools and school districts in Contra Costa County in ways that enable them to better support the students and families they serve, documented or undocumented
